

# Freedom Area School District

## Instructional Coaches

"As coaches, we provide direct and ongoing support with curriculum, instruction, technology, and assessment through a co-teaching environment"

## What is an Instructional Coach?

Instructional coaches are partners with teachers in the ongoing effort to improve student performance.

## *Data Coaching*

- Implement uses for data to meaningfully inform instruction
- Co-Plan lessons, units, and/or assessments based on data
- Assist in next step (After data, now what?)

## How can coaches support you?

## Classroom Support

- Model part of a whole lesson using instructional strategies
- Assist in implementation of adopted curriculum and standards
- Assist in aligning instruction with curriculum

## Mentoring

- Support of novice teachers
- Support with new curriculum areas

## Facilitating

- Grade Level Teams
- Curriculum Teams
- Staff Development
